

License for Bergen Open Research Archive (BORA)

The license gives the University of Bergen the right to make available the authors master thesis in the open, online archive BORA.

Name of author: _____

Title of master thesis: _____

The following terms apply:

- The author keeps copyright and has the right to withdraw the thesis from BORA.
- The author is responsible for obtaining permission for making third party material in the thesis available online (for example illustrations, graphs and pictures).
- The University of Bergen has the right to convert the file to other formats than PDF if necessary for archiving or accessibility reasons.
- The thesis will be available in BORA as long as the archive is in operation. The University of Bergen has the right to transfer and make available the thesis in another archive with the same purpose as BORA, either owned or operated by the University, or in an equivalent national archive if such an archive replaces BORA in the future.

As a standard, the master thesis will be available in BORA within the terms of the following license: All rights kept in compliance with the framework of the Norwegian Copyright Act including changes: <https://lovdata.no/dokument/NL/lov/2018-06-15-40> (in Norwegian). The work can be referred to, linked to, quoted from, printed and downloaded for private use only.

If you wish to make your thesis available with an open license instead of the standard license, you can choose one of the open licenses below. An open license ensures that the thesis is widely available to the benefit of users and society.

- Attribution (by): <https://creativecommons.org/licenses/by/4.0/> The work can be shared and remixed as long as appropriate credit is given.
- Attribution-NonCommercial (by-nc): <https://creativecommons.org/licenses/by-nc/4.0/> The work can be shared and remixed as long as appropriate as credit is given and the work is not used commercially.

Date and signature of the author: _____
