BBB Seminar (BMED380)

Thursday, August 22. 14:30 at the BBB, Auditorium 4

What's behind the ChatGPT hype?

David Grellscheid
Department of Informatics, University of Bergen

In this talk, I will introduce how language models work, and discuss aspects of their use and useability that have been underappreciated in the large excitement around generative models in recent months.

Chairperson: Harald Barsnes, Department of Biomedicine
