

How can we help you?

Who am I ?

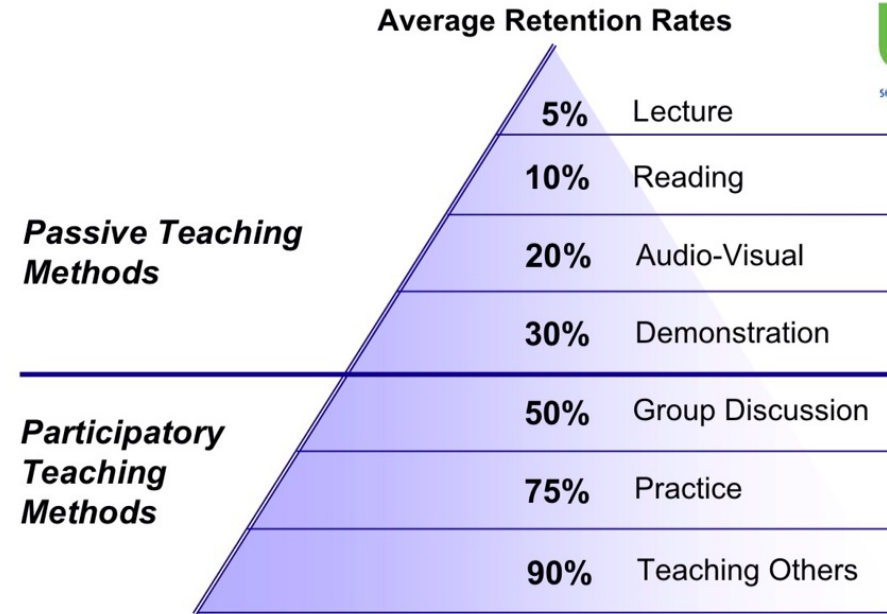

Endre Lygre

- Master student 3rd semester
- Student representative for bioCEED
- Involvement in other student organisations trough study period

- Started spring 2017
- Students helping students
- Project aims:
 - To help bachelor students adapt to changes from high school to university
 - To give the bachelor students more opportunities for feedback
 - Create a platform where students from all levels and fields can meet and exchange knowledge and experience.

*Adapted from National Training Laboratories. Bethel, Maine

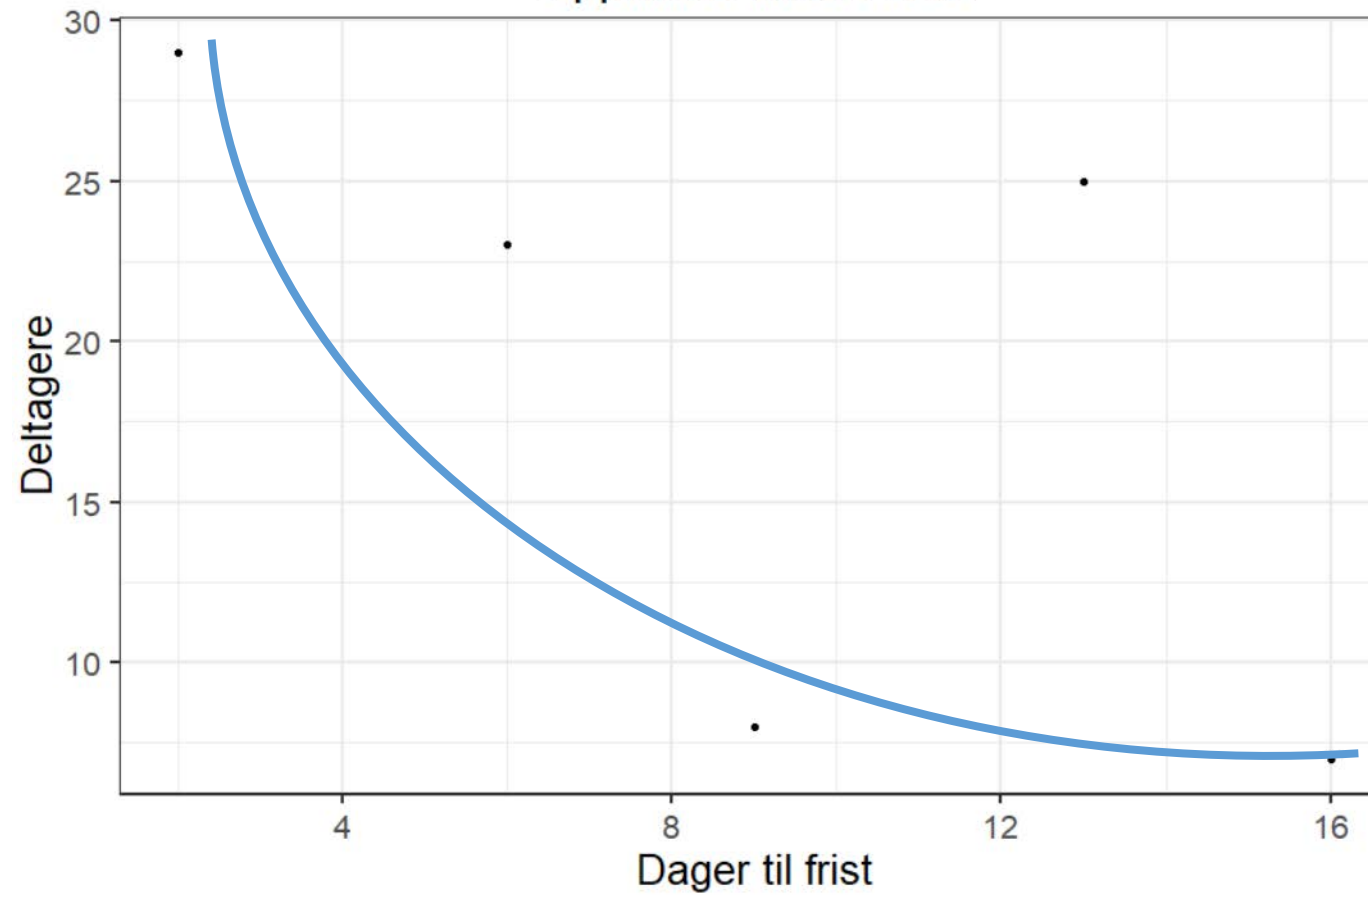

- Studenter hjelper studenter.
- Serverer vafler, kaffe og te.
