PhD degree - Evaluation - Appointment of opponents

With reference to your application dated June 25th, 2024, the evaluation committee has unanimously found your dissertation “**Different levels of explanation of brain network dynamics in healthy participants using functional MRI**” worthy to defend for the doctoral degree.

The Dean of the Faculty of Psychology concurs with the committee’s evaluation dated October 8th, 2024, and appoints the following opponents:

1. Opponent: Professor Asta Kristine Håberg, Department of Neuromedicine and Movement Science, Faculty of Medicine and Health Sciences, Norwegian University of Science and Technology
2. Opponent: Dr. Susanne Weis, Institute of Neuroscience and Medicine, Research Centre Jülich

The University of Bergen has entered into an agreement with Skipnes Kommunikasjon concerning the printing of theses. Printing of the thesis is done by uploading it via <https://avhandling.uib.no/>. The dissertation is published in a standard format and an updated list over previous doctoral degrees at the faculty (enclosed) must be inserted by you at the back of the dissertation. *As soon as an order confirmation has been received from Skipnes this must be sent to your department* (the printing process will not start until Skipnes has received an order confirmation from the department).

We also kindly ask that you as soon as possible send a proposed press release in Norwegian (see <https://www.uib.no/nye-doktorgrader> for examples) to helen.green@uib.no for approval. After the press release has been approved it must be submitted via <https://avhandling.uib.no/>. Please view the attached “*Guidelines for doctorate press release*” for more information.

The title of the candidate's trial lecture will be announced 10 workdays before the public examination.

The public defence will take place November 19th, 2024.

Depending on the final approval of your trial lecture and public defence, you will later be invited to the doctoral diploma ceremony January 31st, 2025.

Yours sincerely
