

Workshop on Causation, Dependence, and Regularity

Thursday the 17th of August

09:15-09:30 Coffee

09:30-10:45 **Samuel Lee** (Linköping University): *Overdetermination Overdiagnosed*

10:45-11:00 Break

11:00-12:15 **Torfinn Huvenes** (University of Bergen): *A Puzzle about Causation and Impure Sets*

12:15-13:45 Lunch

13:45-15:00 **Caroline Touborg** (Umeå University): *Is causal proportionality best understood in terms of counterfactual dependence or minimal sufficiency?*

15:00-15:15 Break

15:15-16:30 **Bram Vaassen** (Umeå University): *Lewis' 'Causation' 50 years on: Hume strikes back*

Workshop Dinner: Time and Place TBD

Friday the 18th of August

09:15-09:30: Coffee

09:30-10:45 **Michael Baumgartner** (University of Bergen): *Boolean Difference-Making: A Modern Regularity Theory of Causation*

10:45-11:00 Break

11:00-12:15 **Veli-Pekka Parkkinen** (University of Bergen): *Unique identifiability assumptions in philosophy and methods of causal enquiry*

12:15-13:45 Lunch

13:45-15:00 **Luna De Souter** (University of Bergen): *Regularity theory of causation beyond causal uniqueness*

15:00-15:15 Break

15:15-16:30 **Naftali Weinberger** (Ludwig Maximilian University of Munich): *Homeostasis and the Faithless Foundations of Causal Inference*

Workshop Dinner: Time and Place TBD

The workshop is funded by the [Meltzer Research Fund](#) and the [Coincidence Analysis Project](#).

Location: Seminar room 1st floor, Sydneplassen 12-13, 5007 Bergen

Registration:

Registration is not needed for people with an affiliation to the University of Bergen. People who are not affiliated with the University of Bergen should send an email to Torfinn Huvenes (torfinn.huvenes@uib.no) if they would like to attend the workshop.
