

CCBIO / Neuro-SysMed Course: Clinical Trials

January 17-19, 2024

Day 1 – 17/1

09.00-09.30	Registration and Welcome	
09.30-11.30	Clinical trials – General <ul style="list-style-type: none"> • Why clinical trials? What is a clinical study? • Study design • Clinical trials from pharmaceutical companies' perspective • Clinical trials from the patients' perspective 	Bjørn Tore Nina Jebsen Hilde Marie Andersen Tone Skår
11.30-12.00	Lunch	
12.00-15.00	GCP	Samantha Scarlett
15.00-15.15	Coffee break	
15.15-16.00	Ethics and Introduction to the group work	Caroline Engen

Day 2 – 18/1

09.00-11.00	Practicalities <ul style="list-style-type: none"> • Protocol • Applications and funding • Ethical Committee • Contracts • CTIS • Clinical pharmacy and clinical trials • Forskningsposten • Personvern ombudet 	Kjell Morten Myhr Yamila Cleuren Ingvild Haaland Kristin Kjøde Bente Vangen Vegard P. Bjørøy Thomas Kadar Christer Kleppe
11.00-11.30	Coffee break	
11.30-12.30	Translational research in clinical trials <ul style="list-style-type: none"> • General • Biobanking • Collection of biological samples in clinical trials • Lesson-learned 	Line Bjørge Reidun Kopperud Øivind Torkildsen Luka Tandaric
12.30-13.30	Introduction to group work + Lunch break (lunch not incl.)	<i>Line and Øivind</i>
14.00-16.00 Parallel session	Cancer: Precision medicine Molecular pathology Genomic profiling MDT IMPRESS-Norway	Olav Vintermyr Randi Hovland Kjersti Hestetun Eli Sihn S Steinskog
14.00-16.00 Parallel session	Neurology: New treatment paradigms Autologous stem cell treatment in MS (RAM-MS) Mesenchymal stem cell treatment in MS– potential for repair? EBV and MS – from epidemiology to treatment	Øivind Torkildsen Christopher Kvistad Øivind Torkildsen

Day 3 – 19/1

09.00-11.30 Parallel session	Cancer: How to succeed ? Melanoma study Surgical trials Vestibularisschwannom study Gynecologic Oncology – Nordic collaboration Discussion: How to succeed	Oddbjørn Straume Christian Beisland Morten Lund-Johansen Line Bjørge All
09.00-11.30 Parallel session	Neurology: How to succeed? NorTrials – a national network for clinical research NORHEAD – A center for clinical treatment research NAD: From bench to bedside Discussion: how to succeed	Kjell-Morten Myhr Andrej Khanevski Tzoulis Charalampos All
11.30-12.30	Lunch break (lunch not incl.) + finalizing group work	
12.30-14.00 Parallel session	Cancer: How to communicate about precision medicine in clinical trials? <ul style="list-style-type: none"> • Physician perspective • Nurse perspective • Patient perspective 	Margrethe Schaufel Karen Gissum Kreftforeningen
12.30-14.00 Parallel session	Neurology: How to communicate with chronic patients ALS: how to conduct studies on a chronic disease How to conduct trials in dementia	Ole-Bjørn Tysnes Kristoffer Haugarvoll
14.00-15.30	Group presentation	
15.30	Final remarks	Line and Øivind
