Deadline:	
Project Title:	
Acronym (Short Title):	
Project Coordinator - Organization:	
Scientific project manager at coordinator institute (Name and e-mail address)	
Brief description of the project: (If necessary please use additional page)	
Brief description of UiB's tasks in the project: (if necessary please use additional page)	
Estimated total project budget:	
**Budget part for UiB (appr.):	
Name of Financial Officer UiB:	

**\*\*NB!** Please note that in-kind and final budget must be approved by the department or the faculty before the proposal is submitted \_\_\_\_\_

**Statement:**

The Department/Centre hereby endorses participation in the above mentioned project proposal.

The Department/Centre further understands and agrees to be scientific responsible for the above mentioned Project in the event that contract is signed between the University of Bergen, represented by the Division of Research Administration, and the European Commission, and according to any consortium agreement between the participating partners.

The Department/Centre further acknowledges that in the event that the proposal is funded:

- The final grant to the project budget may be lower than what was applied for, and there may be changes in the tasks to be performed by UiB;
- The Department/Centre through the scientific responsible researcher will be responsible for carrying out the responsibilities of the University of Bergen in the Project in accordance with the Grant agreement with the European Commission and the Consortium Agreement; including project description, regulations on confidentiality, publications etc.;
- That the scientific responsible researcher will act as the University's representative in Consortium meetings and as a contact person in the Project;

In that regard, the scientific responsible researcher undertakes to inform the Head of Department of scientific changes/progress in the Project and to forward any information concerning changes in the budget to the financial/administrative manager, and to forward any information on changes in the agreements to the legal adviser/contract manager at the Division of Research Administration.
