

Erasmus+ student exchange

Additional support for a student with family / Announcement concerning the number of children

I am applying for additional financial support for a student with family taking part in Erasmus+ student exchange. I can provide documentation supporting this application if University of Bergen should ask for it.

- The additional support for a student with family is 250€, in addition to the Erasmus + grant. Students who have underage children are entitled to this support.
- The higher education institution may ask the student to submit, in addition to this form, an extract from the population register verifying the number of children.
